NAVAGRAHA MAHAYAGNAM

on the occasion of

SREE SANI PEYARCHI

on Tuesday, the 19th December, 2017

(Movement from Vrichika Rasi to Dhanur Rasi)

at Navagraha Temple, Uttara Swamimalai, New Delhi.

As notified in our earlier communications, out of the Nava Grahas, Lord Guru and Lord Sanaichara are considered to be more powerful. Propitiation of these two Grahas, especially on the days of their movement from one Rasi to another, would ward off the malefic effects and bring peace & harmony. The movement of Lord Sanaichara (Sani Peyarchi) will take place on **19th December, 2017.**

All devotees in general and those whose birth Rasis and Stars fall as indicated below, would do well to participate in the Shanthi Pariharas and the Navagraha Mahayagnam, to be conducted on this day.
